Hi Carter, Elizabeth and Rob: I read quickly the 4 sections Carter provided to me. These are my comments, feel free to convey them to the FS.

Hope this is helpful. I have a conference call (Committee meeting where I am the EPA lead) starting at 8:30, but I will sign onto Link so feel free to IM me while I am in the call. The agenda is not controversial so I feel comfortable indicating I can be IM'd.

Good Luck.
